

Pendleton Historic Foundation

Important Pre-Visit Information

1. To help make the most of your visit to Woodburn or Ashtabula Plantation Houses, and to better prepare your students for the tour, we suggest that you log on to our website at www.pendletonhistoricfoundation.org to learn more about the history of the plantations.

2. Some tour activities are presented outdoors; therefore, the students should dress appropriately for the weather, walking, and outdoor games.

3. Chaperones are an important component of any school visit. Please make sure that your chaperones understand their responsibilities to keep the students together, to help the students follow rules, and to assist the tour coordinators as needed during the program.

4. Please have your students wear large, easy-to-read student name tags that will allow our staff to call the students by name.

5. If you have comments or questions on our organization or would you like to become a member, volunteer to work at one of our houses or sign up for an upcoming event, please get in touch!

Email: info@pendletonhistoricfoundation.org

Or you can reach us at our mailing address:

Pendleton Historic Foundation

P. O. Box 444

Pendleton, SC 29670

Or you can give us a call at 864-646-7249.

Please leave a message or call another phone number provided. The Foundation does not maintain a physical office at this time.
